Spring/Summer 2012

Dear Neighbor:

I am very pleased to present the Marlboro Township Recreation and Parks Commission's 2012 Spring/Summer programming guide. This year, we will again offer a wide range of programs for all of our residents' benefits and enjoyment. I am pleased to announce that we have added several new programs this season.

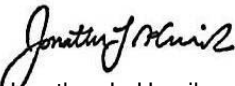

We will continue to provide educational and fun activities to keep the kids involved and learning through spring and summer. Some new sports are being offered for grade school ages. Zumba isn't just for the parents anymore! We are now offering Zumbatomic for the kids. Look for SNAG Golf for golfing beginners, and a brand new, fast-paced sport Sabakiball! Of course, town favorites are back with the very popular School's Out programs held during Spring Break as well as Dinosaur Discovery and Kids Day. We will have a pre-school summer program and new art classes for children.

For the sports enthusiasts, our award winning soccer program and basketball superstar camp are just some of the activities available to our residents. Look for the Lacrosse program and don't forget Open Gym schedule! And we didn't forget our older children. The monthly band concerts are back! Please take a look at the activities planned for our middle and high school students. Monthly Recreation newsletter and flyers are sent home through the schools.

The concerts, Independence Day concert and fireworks (to be held on July 8<sup>th</sup>), a favorite in town, as well as our Family Night concert and Free inflatable rides (to be held on July 22<sup>nd</sup>), will be back. Marlboro Day is expanding and is now Marlboro Night and Day and will begin on Saturday, September 8<sup>th</sup> at night and continue on Sunday, the 9<sup>th</sup> (rain date September 15<sup>th</sup> and 16<sup>th</sup>).

As our Recreation Program continues to grow, our town has even more opportunities to come together. I would like to wish everyone a happy, healthy and enjoyable spring and summer season. My family and I look forward to seeing you and your families at the many events that the Recreation and Parks commission have planned for us.

Very truly yours,

Jonathan L. Hornik  
Mayor

## Recreation & Parks Commission

Dear Fellow Marlboro Residents:

Now let's get this straight, that Pennsylvania groundhog said more winter weather was on the way, but the groundhog in Staten Island said that spring was ready to be sprung. Either way, or given the confusion created by these friendly rodents your Marlboro Township Recreation & Parks Commission is pleased to present another fun-filled slate of activities for both this Spring & Summer of 2012 in this handy Recreational Guide. As you know there's always something for you with Marlboro Recreation and this spring and summer is surely no exception. The specifics and details of each program and event can be found within the pages of this guide.

It isn't summer in Marlboro without our Free Concert Series and this year we will be presenting two fantastic events starting on July 8th with our annual "**Salute to Independence**" featuring a Bell Bottom Blues tribute to Eric Clapton and the B Street Band tribute to Bruce Springsteen, followed by our fantastic fireworks display. On July 22nd it's "**Family Fun Night**" with Free Inflatable Amusements and a musical performance by New Power Soul. Both concerts will provide a great evening of entertainment under the stars for your enjoyment.

And, if you've enjoyed Marlboro Day in previous years wait until you see what we planned for our **29th Annual Marlboro Day and now Night!** That's right the big annual Township Celebration will begin after sundown on Saturday September 8th with a to be announced on stage performance followed by the actual Day event on Sunday September 9th. Tell your friends, wake the neighbors, and bring the relatives to show your pride in Marlboro Township

Other "not to miss programs and events" include School's Out Specials April 3 – thru April 5, it's a 3 day Science Program, and our Annual Dino Day on April 15<sup>th</sup> featuring a live Dinosaur Puppet Show. International Cooking is an adult program with dishes from different countries and Arlene Gorski a semi-finalist on the popular Food Network.

Kids can enjoy Zumbatomic which is Zumba for ages 4–12 with great music and moves. SNAG Golf for children 4-8 and 9-12 years old who can have fun learning golf. Sabakiball for 4th and 5th graders who want to participate in a heart pounding and fast moving new fun sport. And, there's also Geocaching an exciting outdoor treasure hunting experience for 6 and 8th graders. All this plus Youth Open Gyms, Band Showcases, Adult Open Gyms, High School Basketball, Summer Basketball, Cougar Tennis and interesting R.E.C.K. programs are available.

The Recreation & Parks Commission and Recreation Department wishes you a sensational 2012 Spring & Summer and reminds you to enjoy the fun, participate and "**Take Advantage of Marlboro's Advantage - Marlboro Recreation**".

## **PARENT WORKSHOPS**

### **Finding Balance for Our Kids and Ourselves**

Speaker: Dr. Judy Kramer

Sports teams, dance class, religious studies, academic enrichment, homework and academic pressures are part of today's world for children and parents/guardians.

The pressure of "good grades" as children move onto high school becomes even greater. There are the standardized tests, rigorous classes, Advanced Placement (AP) classes, PSAT's and of course the dreaded SAT and ACT taken at least once and generally two or three times. Added to these stresses is the worry of not succeeding and disappointing ones parents.

Join us at this interactive workshop and learn ways to reduce your child's stress and yours too!

Refreshments will be served. ***Marlboro Recreation Building***

Date: Tuesday, May 15, 2012

Time: 7:00PM

An exciting program on the issues of race, discrimination, violence prevention and personal identity will be presented by Dr. Michael Fowlin. His original and powerful presentations have been seen by over a million people. He brings a heightened awareness of these issues to students, faculty, administrators and parents.

"He hopes that all audience members will leave his performance with that wonderful, awakening feeling of beauty: the beauty within one's self and the beauty within others; the celebration of our differences, and the acceptance of our shared experiences."
